

Orosi High School—Friday Focus—May 24th, 2019

Principal's Message:

Spring Fling 2019 is a time for students, faculty and staff to celebrate the end of a school year. Kids get to be kids by playing games, sports, by singing or simply just enjoy a good Lumpia or hot Cheetos with cheese. This year's spring fling was a bit different. For example, a car show was added and students seemed to enjoy it a lot. The petting zoo was a nice touch and water slides were added this year as well. Overall, it was great to see kids being kids and enjoying themselves. A big thank you to our leadership students and Ms. Esquibel for doing a wonderful job coordinating it. A special thank you to our teachers that serve as club advisors for supporting their club members with a food booth as a fundraiser.

A special shout out to Mr. Atkins and our award winning Choir program for a wonderful concert on Thursday night as well. They did an awesome job.

Finally, we get to end a great week with our first play of the year "Romeo and Juliet." We are very excited and look forward to a wonderful performance.

Have a great three day weekend.
